

Matt Gabriel Domingo

Software Engineer

I'm currently studying as a Computer Science student at Don Honorio Ventura State University while self-studying more about the different technologies of programming be it web development or software development.

EDUCATION

Bachelor of Science in Computer Science Don Honorio Ventura State University

06/2019 - Present

Bacolor, Pampanga, Philippines

Science, Technology, Engineering and Mathematics

University of Santo Tomas - Senior High
School

08/2017 - 05/2019

Manila, Philippines

PERSONAL PROJECTS

Simple Database Management System with Web Integration

- A website composed of basic HTML and CSS which integrates a MySQL database with the use of Node JS supported by handlebars for HTML manipulation. The system also has basic CRUD system for user-side and admin-side.

Point of Sale System using C

- A terminal-based point of sale system using C with a basic CRUD system. Outputs an excel file using CSVs for a more end-user- friendly output. (Project was not integrated with any database management system)

SKILLS

Web Development

HTML

CSS

JavaScript

NodeJS

VueJS

ReactJS

C

C++

Java

MySQL

Git

ACHIEVEMENTS

1st Runner-Up of Programming Challenge (02/2020)

Given from an event hosted by Don Honorio Ventura State University for the students to test their problem-solving skills within a given time-frame.

With Honors (High School)

Graduated high school with an average of 94 overall.

LANGUAGES

Filipino

Native or Bilingual Proficiency

English

Full Professional Proficiency

INTERESTS

Programming
